Dear Parents:

The staff of the YIWB Youth Department has already begun preparing for the 2009 – 2010 season. We will continue to provide educational and entertaining Tefila groups for all ages and are making plans for special events throughout the year.

We know that your children will want to be members of the YIWB Youth Department so that they can participate in all of the groups and events. (As an added bonus, all YIWB Youth Department members can take part in Little League at a discounted rate.) Please fill out the registration and medical release form that is in this bulletin and send in the registration fees for the coming season. The fees for the coming season are: \$50.00 per child for YIWB members (up to a maximum of \$125.00) or \$150.00 per child for non-members.

All completed membership forms and registration fee payments must be sent to the Shul office or directly to me by Thursday, October 1st. If you have any questions, please contact me at yiwbyouth@verizon.net or by cell phone at 646-567-6536.

We hope that you and your family had a very nice summer.

Sincerely,

Leon Rosenfeld
